

## *Mother's Day Tea & Brunch Fundraiser*

*Enjoy Mother's Day weekend at the Zimmerman-Bury Octagon House, where the gilded age is exemplified by the elegance of a Victorian Brunch incorporating the family silver tea service amidst the heirloom furnishings.*

*Your hostesses will greet you in appropriate 1883 clothing, and would encourage you to dress for tea. A history of the house is given and the extensive buffet table will offer family recipes homemade by our volunteers, typical of the late 19<sup>th</sup> century.*

*The afternoon will end with a demonstration on the modern cleaning conveniences of the Victorian Era. Choose from either the actual Mother's Day Sunday, or the day before, but register early as both days will fill for this unique opportunity.*
